

# PAPER WALLS

MOVING BEYOND  
THE EXCUSES  
THAT HOLD YOU BACK

## Because

If you won't admit you're wrong, you'll be wrong your entire life.

## Discussion Questions

1. Think of a time you thought you were right only to find out you were wrong? Can you share a funny story?
2. Why is it easier for us to see the lies in others and harder within our own life?
3. Is it possible you've missed out because you've walled yourself in? How does it feel safer when we wall ourselves in?
4. Read John 8:12-13. What does it mean to follow Christ?
5. Is it possible be a light to the world just through our actions?

## This Week

1. What lies have you been telling yourself that you need to speak truth in?
2. What are ways you can live out your faith to follow Christ this week?
