

**THE IMITATION GAME: Pt. 3 - You get to choose whether to follow Jesus or not. But you don't get to choose what following Jesus looks like. He spelled that out for us.
The question now: will you do it?**

Discussion Questions:

1. Did something from the message stick out to you on Sunday? What was it and why?
2. What show/movie was a lot better than you expected?
3. Do you like your life to be predictable or unpredictable? Why?
4. Do you have a tendency to hold on to something a little tighter when life feels like it is out of control?
5. What happens when the "thing" we control starts to control us?
6. Read Matthew 16:13-16. Why did Jesus care more about who they believed Him to be instead of the other views?
7. What does it mean to you that Jesus is the Messiah or King?

Next Steps:

- How does answering the question, "Who do you say Jesus is?" change our outlook on life?
- What is one way you can live your life differently knowing that Jesus is King?
