

Front Port: Seeing Those People as your People (Pt. 3)

Discussion Questions:

1. Share a weird or funny conversation with a stranger.
2. What is the difference between confrontation and conversation?
3. What conversations did you have this week sharing your story or getting to know someone?
4. Read Mark 4:35-41. Why “go over to the other side” when there is plenty of Ministry where the disciples were?
5. Read Mark 5:1-20. Why did Jesus want the man who was demon possessed to go tell people about his healing instead of going with Jesus?
6. How did the healed man’s obedience impact those around him (5:20; 6:53-56)?
7. Why are our stories not just meant for us but for others as well?

Next Steps:

- Grab a pen and paper. Take a moment to write out your story.
- Pray for God to show you opportunities with people who need to hear your story.
- Pray for faithfulness and boldness to share your story when God creates opportunities.
