

Groups Message 2023

Discussion Questions:

1. Outside of work and family, what takes up most of your time? Are those items also your top priorities in life?
2. When life gets difficult, how do you respond? Do you draw near to God and people or push them away?
3. Do you agree with the statement, “Your friends determine the quality and direction of your life.” Why or why not.
4. Read Hebrews 10:19-25. What gives us confidence in v. 19?
5. Verse 22 tells us to draw near to God with what?
6. How do you spur one another on toward love and good deeds (v. 24)?

Next Steps:

- This week look for ways to free up your schedule to focus on your spiritual walk and group.
- What boundaries do you need to establish this week to focus your attention on following Jesus and living it out in your community?
- Who do you know that you could encourage to join a group? Who do you know that could be a group leader?
