

Two thousand years ago, the Church changed the world. They leveraged their skills and talents for a new way of living. Can doing that change the world today?

### **Discussion Questions:**

1. What are the best qualities of a team? How could a team fall apart?
2. Have you tried to put together a piece of furniture or puzzle only to find a piece missing at the end?
3. What comes easy or natural to you that might not to others?
4. Read 1 Corinthians 12:12-27.
  - If God created us uniquely different to form one body, what does that say about his design and desire for our lives? If one body part chooses not to participate how does that affect the rest of the body?
5. Two observations:
  - Each one of you is different and it should be this way.
  - Every part, no matter how “small” is indispensable.
6. Jonathan said, “You have a responsibility to leverage your skills to help the body of Christ grow.” Would you agree or disagree with this statement?
7. What does leading someone in a growing relationship with Jesus Christ mean?

### **Next Steps:**

- Who has God placed on your mind to invite you to Beachside?
- How can you engage people this week to lead them in a growing relationship with Jesus Christ?
